## **MHS Basketball/Wrestling Attendance Plan**

The following is the fan attendance plan for Malta High School Basketball and Wrestling home contests starting January 1, 2021.

Each rostered athlete, manager, cheerleader, and coach will receive four (4) ticket vouchers per home contest. Those vouchers must be presented at the door in order to be admitted to the contest. Ticket voucher holders must pay admission at the door. If you have already purchased a MHS Activity Ticket or have a Golden Age Pass, you will not be charged admission at the door but will still require a ticket voucher.

Malta students (K-12) holding student activity tickets will be allowed to attend games and do not need to possess one of the four allotted ticket vouchers. Elementary age students must be accompanied by and sit with an adult.

Visiting teams will be allowed two (2) ticket vouchers per rostered player, manager, and coach.

Seating will be separated by town. Please look for signs.

Fans are asked to wear facial coverings and sit in family units and social distance between fan groups.

This plan is subject to change pending significant changes to our community COVID-19 situation throughout the season.
